MCMASTER FIRST YEAR ENGINEERING PROJECTS

McMaster Chem-E-Car Propulsion Sub-Team

Oct. 2025 - Apr. 2026

- Developed and tested a safe chemical reaction using magnesium and hydrosulfuric acid to propel a hydrogen-powered vehicle; optimized reaction rates for controlled motion and reliability.

Robotic Arm End-Effector

Sep. 2025 - Dec. 2025

- Designed a lightweight, high-precision end-effector for the Quanser Q-Arm to automate warehouse package handling.
- Developed integrated software for object recognition, barcode scanning, and coordinate-based arm movements.
- Modeled and prototyped the system using Autodesk Inventor CAD, collaborating with team members to optimize design.

CERTIFICATIONS, SKILLS & INTERESTS

- Technical Skills:** Autodesk Inventor; Python; HTML; Arduino; 3D Printing; MS Office; Google Workspace; ReactJS; TailwindCSS; Git/GitHub; VS Code;
- Certifications:** Standard First Aid & CPR C; National Lifeguard; Aquatic Instructor Certified
- Languages:** English; Mandarin Chinese
- Interests:** Weightlifting; Badminton; Piano; Chess; Swimming

WORK EXPERIENCE

City of Toronto

Nov. 2022 - Present

Lifeguard/Swim Instructor | Jul. 2023-Present

Toronto, ON

- Certified in Standard First Aid & CPR-C; instructed students of all ages in safe aquatic practices.

Music Instructor/Tutor | Apr. 2024 - Apr. 2026

Toronto, ON

- Provided personalized music education using RCM curriculum, focusing on student-centric learning, while addressing specific student needs through parent and teacher coordination.

Panex Furniture Showroom

Dec. 2025 - Aug. 2026

Sales and Operations Associate

Toronto, ON

- Coordinated inventory flow and showroom layout to enhance operational efficiency.
- Contributed to logistics and sales operations by ensuring proper packaging and delivery preparation of high-value inventory.

Father John Redmond C.S.S and R.A.C

Oct. 2022 - Jun. 2025

Piano Accompanist

Toronto, ON

- Provided accompaniment for school musical group performances, ensuring high quality of execution.
- Analyzed various musical compositions to deepen understanding of different styles and techniques.

EDUCATION

McMaster University

2025 - 2030

Bachelor of Engineering (Co-op)

Hamilton, ON

- Interdisciplinary program integrating foundational engineering principles, applied mathematics, and hands-on design experience with focus on real-world problem-solving and systems development.
- Current GPA: 3.91/4.0**

Father John Redmond C.S.S. and R.A.C

2021 - 2025

Ontario Secondary School Diploma (OSSD)

Toronto, ON
